Data Protection

Project Management Zimbabwe (PMZ) will act as the data controller and will hold and process your data for the purposes of providing the necessary services to you in relation to your application for accreditation. Where it is necessary to fulfil your request, PMZ will share your information with either our local, regional, or overseas branches. Your information may be passed to selected clients in order to provide additional services, and may from time to time contact you with details or programmes or materials that may be of interest to you e.g. seminars and other relevant training or services. If you do not want to be included in this activity, please tick box.

Code of Professional Conduct

Please note that by signing below you agree to abide by the Project Management (PMZ) code of professional conduct as stated in the Constitution
