PMP Eligibility Overview

To apply for the PMP, you need to have either:

A secondary degree (high school diploma, associate's degree, or the global equivalent) with at least five years of project management experience, with 7,500 hours leading and directing projects and 35 hours of project management education.

OR A four year degree (bachelor's degree or the global equivalent) and at least three years of project management experience, with 4,500 hours leading and directing projects and 35 hours of project management education.

This is an overview of the requirements. If you do not meet the PMP eligibility requirements, you may want to look at the Certified Associate in Project Management (CAPM) ® certification.
